For further information, contact Geraldine O'Neill by email Geraldio@chw.edu.au or phone 9845 3116

Are you fascinated by biology? Do you enjoy your chemistry classes? Do you love to solve puzzles and problems? Then a career in medical research may be just for you! Come to our careers seminars and learn about the types of jobs available, and how to pursue a career in medical research.

Seating is limited so please book early. For a chance to win \$100, write your answers to our Career Quiz on the back of your booking form at the bottom of this flier - the first correct entry drawn will be the winner and will be announced at the Careers Seminar. Note that you will also be able to attend the EXPO in the same venue on the same day.
